### **DETAILED ACTION**

1. This office action is in response to the amendment filed on 10/27/2006.

#### ***Reason for Allowance***

2. The following is an examiner's statement of reasons for allowance:

Claim 2 now renumbered as claim 1 is allowable over the prior art of record because none of the prior art of record teaches or fairly suggests the limitations of controlling a tension band brake from an on state into an off state, in the switching between the play mode and the review mode; controlling a supply reel brake between on and off states in a certain range, in the switching between the play mode and the review mode; and controlling a turning-up reel brake from an off state into an on state, in which the turning-up reel brake has the off state in a certain range in the environment of claim 2.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
4. Any inquiry concerning this communication from the examiner should be directed to Fred Tzeng whose telephone number is 571-272-7565. The examiner can normally be reached on weekdays from 9:30 am to 6:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Hoa Thi Nguyen can be reached on 571-272-7579. The fax phone numbers for the organization where this application or proceeding is assigned are 571-273-8300 for regular communications and 571-273-7565 for After Final communications.

5. Informal regarding the status of an application may be obtained from the Patent Application Information Retrieval (**PAIR**) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
